Subject: Dimock Risk Evaluation Memo
Attachments: HW08A EPA Data July.docx

Hi, Kathy. Sorry for not responding sooner, but I was in a meeting all afternoon yesterday for Andrews Air Force Base.

Attached is an example of the Risk Evaluation memos that were drafted for home wells in Dimock. This particular memo was for Home Well 8A. I'm not sure which residence this is because that info was not provided to me. I believe the OSC attached these memos to letters that were sent to respective residents.

If you need anything else or have questions, please let me know. Thanks.

Dawn
